COCOM Document No 3654

COORDINATING COMMITTEE

MEMORANDUM BY THE NETHERLANDS DELEGATION

EXPORT OF A COMPUTER TO CZECHOSLOVAKIA

The Netherlands Authorities have received an application to licence the export of a computer to Czechoslovakia.

This computer, which can be utilized for administrative as well as for scientific purposes, is according to the Netherlands Authorities covered by item 1565 of the International Embargo List. For this reason, the licence has been refused.

The Netherlands Authorities would appreciate if the Member Countries would adopt the same attitude under similar circumstances.
